

Positive Youth Outcomes – 6 Cs

From: Act for Youth's Positive Youth Development 101 Curriculum

Competence

Having ability and motivation...

- ✓ Civic and social: To work collaboratively with others for the larger good, and to sustain caring friendships and relationships with others.
- ✓ Cultural: To respect and affirmatively respond to differences among groups and individuals of diverse backgrounds, interests, and traditions.
- ✓ Physical health: To act in ways that best ensure current and future physical health for self and others. Emotional health: To respond affirmatively and cope with positive and adverse situations, reflect on one's emotions and surroundings, and engage in leisure and fun.
- ✓ Intellectual: To learn in school and in other settings; gain basic knowledge needed to graduate from high school; use critical-thinking, creative, problem-solving, and expressive skills; and conduct independent study.
- ✓ Employability: To gain the functional and organizational skills necessary for employment, including an understanding of career options and the steps necessary to reach goals.

Confidence

- ✓ Having a sense of mastery and future: being aware of one's progress in life and having expectations of continued progress in the future.
- ✓ Having a sense of self-efficacy: being able to contribute and perceive one's contributions as meaningful.

Character

- ✓ Having a sense of responsibility and autonomy: accountability for one's conduct and obligations; independence and control over one's life.
- ✓ Having a sense of spirituality and self-awareness.
- ✓ Having an awareness of one's own personality or individuality.

Caring

- ✓ Having a sense of sympathy and empathy for others; commitment to social justice.

Connection

- ✓ Membership and belonging: being a participating member of a community, being involved in at least one lasting relationship with another person.
- ✓ Having a sense of safety and structure: being provided adequate food, shelter, clothing, and security, including protection from injury and loss.

Contribution

- ✓ Being involved as active participant and decision maker in services, organizations, and community.
